

Join the Great Arthur House Residents' Liaison Group

In the coming months, proposals for the City of London Corporation's Golden Lane Estate Windows Project will be brought forward.

The Great Arthur House Residents' Liaison Group (RLG) has been established to ensure meaningful resident consultation and effective participation by COL tenants and leaseholders of Great Arthur House for these proposals. The group meets in person, on the estate.

The role of the RLG is to represent the interests of tenants and leaseholders of Great Arthur House while ensuring compliance with current legislation and requirements.
